The Alumni President's Message

JOSEPH ROSCOE WATKINS, PRESIDENT OF THE ALUMNI ASSOCIATION

Dr. Watkins, whose home is in Loudon, Tennessee, graduated from Maryville College in 1923 and from Vanderbilt Medical School, Nashville, in 1927. He interned at Knoxville General Hospital. He has been practicing medicine in Loudon since July 13, 1927, and operates two farms. He is the father of three sons and two daughters. He is a loyal alumnus and visits the Hill often during football season and Commencement.

Dear Fellow Alumni:

October is here again. That means that another year of activity and progress has already started on "the Hill."

The Fine Arts Center was officially dedicated at the Commencement Exercises last May, 1951. What a Fine Arts Building it is! In fact, it is a great step forward in the architectural lines and beauty that has never before been equalled on the college campus.

At this same Commencement I was elected your Alumni President for the ensuing year. For this honor you have bestowed on me I am indeed grateful. I shall endeavor to do my best for the Alumni Association in my meager way.

Our chief concern as an Alumni Association now, as I see it, is to get under way the construction of our much-needed Chapel building with the funds we now have on hand. We must bear in mind that we may be called on for more money to complete the same because of the ever-increasing cost of building materials, etc. In your year of planned giving, please go your limit to help us put this project over the top. A Chapel is a MUST! You alumni who have not returned in recent years try to visualize Maryville College without a Chapel, hampered in its many activities. Let us put our shoulders to the wheel to make the "Samuel Tyndale Wilson Memorial Chapel" a reality. I feel that would be as great a step forward as we of the Alumni Association can hope to achieve for our Alma Mater.

Remember our Homecoming Game and Annual Barbecue October 27. Plan to be there.

Sincerely,

A handwritten signature in cursive script, appearing to read "J. R. Watkins, M.D.", written in dark ink.

Year's Opening. Our 133rd academic year opened officially on Tuesday, September 4, when new students reported for the beginning of their registration and orientation program. Returning students began to register the next day, and the first classes were two days later on Friday, September 7. As all alumni of the past ten years know, our early opening date in the fall and our early closing date in the spring are due to our plan of completing the first semester's work before Christmas. This schedule is different from that of most colleges, but both our students and faculty like it because it clears off examinations before vacation. Since winter and spring combined are longer than the fall alone there is no need to "hurry back" after Christmas. The vacation this year will last from December 21 until January 16, almost four weeks. This helps all to accept the inconveniences of the early opening. The 1952 Commencement date is May 21.

Fall Semester Enrolment. On this page last April I said, "My personal expectations (about enrolment for 1951-52) are less optimistic than those of most of my college president friends." As I write this (which, because of time required for printing, is considerably earlier than your reading) there are no extensive enrolment reports available. But a preliminary survey by the New York Times finds a general decrease ranging from 5% to 30% in those colleges and universities checked. In most cases the decrease is larger in colleges like Maryville and smaller in the big universities, although I note a direct check at the University of Illinois shows a drop of 13%. At Maryville College it is 14%. The loss is in men students. We have 10 more women than we had a year ago but 143 fewer men. Of our 700 students, 45% are men and 55% women. During the past four years 55% of our students have been men, a materially larger percentage than before the war. The highest enrolment of veterans was 273 in 1946, representing 64% of all men enrolled. At present only 14% of our men students are veterans. The first semester enrolments at Maryville, in the six years since World War II have been respectively, 833, 898, 886, 905, 828, 700. Whether another year will see the enrolment of men go up again cannot now be anticipated.

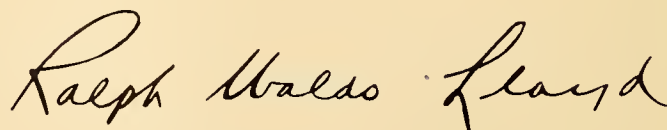

Current Operating Budget. We closed the last fiscal year

on May 31 with a deficit, the largest deficit in the twenty years I have been at Maryville. It was not unexpected, but it was unfortunate that we had to cut into our accumulated surplus at a time when the problem of balancing future budgets is increasing. In these twenty years we have had but few deficits. But with a reduced number of dollars because of a reduced number of students and with a reduced value to each dollar because of inflated prices, I cannot at this time see how we can balance the 1951-1952 budget. What we can save on the smaller enrolment is nowhere near as much as the losses of so many tuitions, as relatively modest as each tuition is at Maryville. We shall be working on the budget problem throughout the year. Alumni help greatly when they give on the "Living Endowment" plan. Many more should do so. The Alumni Office or Dr. F. A. Griffiths or any one else at the College will be happy to arrange for participation. If you are not in the plan, I hope you will write at once.

The New Buildings. On another page I am writing an account of the Dedication of the Fine Arts Center last May and of the Competitions in Music and Art. Studies of the type of Chapel to be built are under way. It became necessary to build a new unit of our heating plant, partly to increase the plant's capacity and partly to be prepared if either of the present boilers should break down. We are just now completing an enlargement of the building, the installation of a single boiler equal in capacity to the two older boilers, and the erection of a second chimney equal in height to the present chimney but larger in diameter. This heating plant addition is costing almost \$100,000. We have no funds to cover this except on a temporary basis. We very much need gifts for this purpose as well as for the Chapel. Progress costs and the calls are therefore continuous upon us all.

The Summer. During six weeks of July and August, Mrs. Lloyd and I were in the British Isles and Europe. Of this there is an account on another page. We returned saddened by the conflicts and problems we saw yet encouraged considerably by the fellowship of Christian faith and the will for unity in the Churches. And we are more certain than ever that the Christian gospel and Christian education are essential in our world.

Sincerely yours,

Marion Musser (Mrs. Glen A.) Lloyd, one of the donors, speaking at the dedication

DEDICATION OF THE FINE ARTS CENTER

The climax of the Fine Arts Festival, conducted last May in connection with the Commencement program, was the service of dedication of the Fine Arts Center.

The service was held in the outdoor court of the Center. President Lloyd presided. The building was formally presented to the College by the donors, Mr. and Mrs. Glen A. Lloyd, of Chicago, each of whom made a brief but impressive address. There was a short address of acceptance by Attorney Joe C. Gamble, '26, Recorder of the Directors, representing Judge Samuel O. Houston, '98, Chairman of the Directors, whose presence was prevented by illness. Miss Katharine C. Davies, Chairman of the Division of Fine Arts, spoke of the use of the building.

Greetings were expressed by Dr. Price Doyle, President, and Dr. Burnet C. Tutbill, Secretary, of the National Association of Schools of Music. The central address was by Dean E. William Doty, College of Fine Arts, University of Texas.

In addition to faculty, students, and alumni, there were present loyal and distinguished friends of the College and of the Fine Arts.

NEWS OF ALUMNI CLUBS

The Ohio Valley Maryville College Club elected Charles L. Edgemon, '19, president last April. On July 20 the Club held their annual picnic at the home of Rev. and Mrs. Homer M. Noble, '06 (Varina Bayless, '06). If there are alumni in the Cincinnati area who are not on the Club's mailing list, get in touch with Mr. Edgemon at 1536 Union Trust Building, Cincinnati.

The Maryville College Club of Philadelphia met on April 21, 1951. There were 37 present. Miss Clemmie J. Henry, who was attending the D. A. R. Congress in Washington that week, was the chief speaker of the evening. The following officers were elected: John Magill, '39, president; Clyde Powell, '38, vice president; and Helena Farrar (Mrs. W. A.) Packard, '25, secretary-treasurer. Her address is 325 Vine Street, Hammonton, New Jersey. The Club held their annual picnic at Knights Park, Collingswood, New Jersey on August 17 and Mr. Magill reported that although the attendance was not large they had an excellent time together.

The Harry H. Proffitt family will be missed this year on the campus. For the first time in seventeen years they will not be represented among the students. James, now a doctor practicing in Maryville, entered in 1934 and graduated in 1938; next came the twins in the Class of 1942 — Mary (now Mrs. Robert C. Wright of Maryville) and Margaret (now Mrs. Ben A. Cunningham of Rogersville, Tennessee); Elizabeth Jane graduated in 1946 and works in Woodbury, Tennessee; William graduated in 1949 and Robert last year. Mrs. Harry Proffitt was Leila Graham, '12 and Mr. Proffitt graduated from the old Preparatory Department.

COMPETITIONS IN MUSIC AND ART

As part of the Fine Arts Festival connected with the dedication of the Fine Arts Center in May, there were held competitions in piano, voice and painting. These were for seniors in high school. At the close of the competitions awards were made to one competitor in each of these three fields. The winners were as follows:

In Piano: Virginia L. Gross, Tyner High School, Chattanooga, Tennessee.

In Voice: Sheila Blake Sutton, Chadbourn High School, North Carolina.

In Art: Isabella Frances Gibbs, North Wilkesboro High School, North Carolina.

The awards offered were \$200 in Piano, \$200 in Voice, and \$100 in Art. If a winner should elect to attend Maryville College, the College announced that it would add a \$100 award.

Sheila Sutton, winner of the competition in singing, is registered at Maryville College. Her father is Algie Sutton who graduated in 1929.

Isabella Gibbs, winner in the art competition, was registered at Maryville College, but at the last minute was prevented by illness from entering this semester.

Virginia Gross, winner of the piano competition, is attending a music conservatory elsewhere.

The competitions will be held again in the spring of 1952 and will be open to high school seniors. A fund of five hundred dollars each year for three years for these awards has been provided by friends of the College.

A VISITOR FROM JAPAN

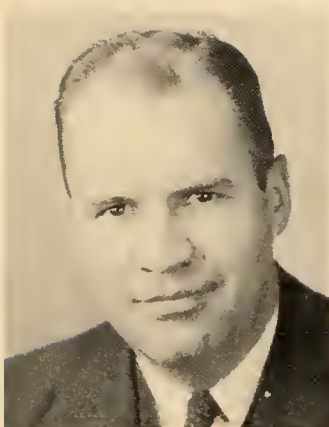

Mr. Tamisaburo Sugimoto, General Secretary of Meiji Gakuin College, a Christian college and high school of 3,500 students in Tokyo, Japan, is spending several weeks on the Maryville College campus.

He is in the United States for a year under auspices of the Board of Foreign Missions of the Presbyterian Church in the U. S. A., studying college administration. His position is a responsible one in his large institution where he has the management of financial and maintenance affairs.

At Maryville he is observing the methods of administration in various offices and departments with a view to securing such suggestions as he can about the way things are done in a church-related college of America. The Board of Foreign Missions did Maryville College the honor of sending Mr. Sugimoto there for his first contacts. He came to Maryville directly from the West Coast and the ship on which he crossed the Pacific.

His crossing was on a small freighter with only five persons other than the crew. It proved to be a rather rough journey because the ship was caught by a typhoon and driven far back toward China before it was able to make its way toward America. It finally required thirty-three days for the crossing.

One of Mr. Sugimoto's early introductions at Maryville was to a football game played on a muddy field after a heavy rain, but he is learning many of our ways rapidly. He speaks and understands English, although this is his first visit to an English-speaking country. On the campus he found two persons who can speak Japanese with him. One is Miss Mary Miles of the Library staff who was for fifteen years a missionary in Japan. The other is Mr. Kim, a Korean student who attended school in Japan and who graduated from the high school department of Mr. Sugimoto's institution.

Vice-President of the Alumni Association — David L. McArthur, '36, President of McArthur's Store, Maryville.

Recording Secretary of the Alumni Association — Winifred L. Painter, '15, Pastor's Assistant at the New Providence Presbyterian Church, Maryville.

The Lloyd family and luncheon guests at Morningside on one of the days of the Fine Arts Festival

The Commencement season in May, 1951, was different from that of the ordinary year because the usual Commencement program was combined with a Fine Arts Festival and the dedication of the Fine Arts Center.

The program may be considered to have begun with the annual breakfast for seniors given in two installments on May 8 and 9 by President and Mrs. Lloyd at their home.

The Fine Arts Festival included a series of addresses on consecutive days covering the general fields of Music, Art, and Drama. On May 10, Mr. Malcolm Miller, Knoxville impresario, spoke concerning "Drama and Music Personalities I Have Known." On May 11, Dr. Paul Calvin Payne, General Secretary of the Presbyterian Board of Christian Education and Chairman of the Division of Christian Education of the National Council of Churches, spoke on "The Christian College and Tomorrow's World." On May 12, Mr. John Walker, Curator of the National Gallery of Art, Washington, D. C., spoke on "The Enjoyment of Art: Our Rights and Our Obligations." At the Alumni Dinner on May 12, Mr. Paul Schweikher of Schweikher and Elting, architects of the Fine Arts Center, spoke on the architecture of the building. This was followed by an illustrated address by Mr. John Walker on "A Survey of American Painting." On May 13, Dr. E. William Doty, Dean of the College of Fine Arts at the University of Texas, spoke on "Music in Liberal Arts Education."

In addition to these addresses, the Maryville College Playhouse produced on two different evenings Shakespeare: "Much Ado About Nothing," and seniors majoring in music presented the annual senior music hour. There was a special exhibition of paintings in the gallery of the Fine Arts Center.

On May 12 there were held competitions in Music and Art for high school seniors and graduates. Music competitors came to Maryville to perform and were judged by persons prominent in the field of Music. Competitors in Art sent samples of their work, which were judged by prominent art authorities. The three winners were selected and received scholarship awards as reported elsewhere in this bulletin.

On Sunday, May 13, the Baccalaureate sermon was preached by President Lloyd on "Christian Culture," and the annual Commencement vespers sermon was preached by Dr. Paul Calvin Payne on "Mirrors or Windows." The Commencement address on May 16 was given by Dr. Stuart Nye Hutchison. Bachelor degrees were conferred upon 168 seniors; four honorary degrees were conferred; and certificates were given to the living members of the Class of 1901.

The dedication of the Fine Arts building was impressive

and the whole Commencement program was significant and interesting.

FOUNDERS DAY SPEAKER

The speaker at the Founders Day Service on Saturday morning, October 27, at 9:45 a.m., will be the Rev. Dr. Eugene Carson Blake, of Philadelphia, Pennsylvania, who in May was elected by the Presbyterian General Assembly to the office of Stated Clerk, to fill the vacancy caused by the death of Dr. William Barrow Pugh.

Dr. Blake came to this work from Pasadena, California, where for the past eleven years he has been pastor of the large Presbyterian Church there. Although a comparatively young man of forty-five he has attained a reputation as one of the leading American preachers and was selected to preach the sermon in connection with the constituting of the National Council of Churches last year.

Dr. Blake is a graduate of Princeton University and Princeton Theological Seminary, was a student in New College, Edinburgh, Scotland for a year and a teacher in Forman Christian College in India for a year before becoming assistant pastor of the Collegiate Church of St. Nicholas in New York City in 1932. In 1935 he became pastor of the First Presbyterian Church, Albany, New York, where he remained until he went to California. He has been a member of the Presbyterian Board of Christian Education, is a trustee of Occidental College in California, and holds other influential positions.

ART EXHIBITIONS

Each year the art department, as an educational and cultural contribution to the whole campus and to the town as well, hangs a number of traveling exhibitions. The art gallery of the Fine Arts Center was built with this purpose in mind as well as to provide a place for a permanent collection. The first exhibit this year is a collection of prints of the French nineteenth century, lent by the National Gallery of Art, Washington, D. C. It includes prints by such artists as Cezanne, Daumier, Delacroix, Matisse, Picasso, Renoir, Rodin, Toulouse-Lautrec, and Van Gogh. These prints will be on display until the end of October and all alumni here for Homecoming are urged to see them.

Another exhibition will also be on display until about October 23. It is a collection of fourteen pieces by contemporary American sculptresses in aluminum, cast stone, terra cotta, and wood.

The audience in the outdoor court

After the Commencement Exercises last May: Dean McClelland, Rev. Dr. R. G. Johanson, whose daughter Lois was in the graduating class and who read the Scripture, Dean Hunter, Dr. Kidder, Dr. Dollemayer, Dr. Hutchison, President Lloyd, Dr. Welsh, Rev. Dr. B. M. Larson, whose son Bob was in the graduating class and who gave the prayer of invocation, Dr. Tracy, of the Fifty-Year Class, and Dr. Rankin.

1926

The Class of 1926 had a fine twenty-fifth reunion, according to reports and observation. They began arriving on Friday afternoon and gathered at the Joe Gambles' home that evening. Saturday noon the group had lunch together at Chillhowee Inn, Walland, and of course Saturday night attended the Alumni Dinner. Afterward they again went to the Gambles. Katherine Franklin Harvey had planned a tea at her home just off the campus for the Class but unfortunately was ill during commencement week. On Sunday following the Baccalaureate Service the Gambles entertained the entire group and their families plus some other college friends—sixty-five in all. (Julius Huffman furnished the ice cream from his own dairy farm.) The Class Editor reports that "the weather was perfect, the food was marvelous, the location beautiful and the fellowship superb."

NEW DIRECTORS

Dr. Margaret Shannon

Two new Directors of Maryville College were elected in June by the Synod of Mid-South to fill vacancies on the Board. One is Dr. Margaret Shannon, of New York City, Secretary of the Board of Foreign Missions of the Presbyterian Church in the U. S. A. Miss Shannon is a native of Kansas, a graduate of the University of Chicago and of Biblical Seminary, New York, holds the degree of Master of Religious Education from the latter institution, and received the honorary degree of Doctor of Laws from Maryville College in 1947. Her career has included service on a college faculty in Beirut, Lebanon, as Director of the Westminster Foundation at Ohio University, as Secretary of the Board of Foreign Missions where she now occupies a senior position. She has long taken an important part in the National Council of Women's Organizations of the Presbyterian Church, is an author of note in the field of missionary education, and is a prominent leader in many areas of church life in America and abroad.

The other new Director is Rev. Edward L. R. Elson, D.D., Pastor of the National Presbyterian Church, Washington, D. C.

Dr. Elson is a native of Pennsylvania but began his ministry in California where he served for ten years as pastor of the First Presbyterian Church, La Jolla, California, before entering the chaplaincy in 1941. During the War he became one of the most distinguished chaplains in the service, advancing to the rank of Colonel and receiving many decorations. In 1946 he became pastor of the large and strategic National Presbyterian Church not far from the White House in Washington. Dr. Elson is an influential friend of the Christian college.

LLOYDS AND DAVIES ABROAD

President and Mrs. Ralph W. Lloyd, their daughter Louise, and Miss Katharine C. Davies, Professor of Music at the College, were in Great Britain and Europe during the summer.

Miss Davies and Louise sailed from New York for Liverpool on May 25, spent two weeks in England, Scotland, and France, and then settled down to study piano with Walter Frey at the Conservatory of Music in Zurich, Switzerland. Louise graduated from Maryville College in May with a major in piano. She had been a student of Miss Davies throughout her course. Later in the summer after touring Switzerland together, Louise

went to Italy with Mrs. Lloyd, and Miss Davies went to Denmark, Holland, and Belgium with another friend.

President and Mrs. Lloyd sailed from New York on the Queen Elizabeth July 7 and returned on the same ship August 27. Dr. Lloyd went abroad for the primary purpose of attending meetings of the World Council of Churches Central Committee and the World Presbyterian Alliance Executive Committee in Switzerland during two consecutive weeks in August. He and Mrs. Lloyd spent more than two weeks in the British Isles where he filled preaching appointments on three consecutive Sundays in London, Belfast, and Edinburgh. Between Sundays he held conferences with Presbyterian groups and individuals of England, Wales, Northern Ireland, and Scotland, in the name of the World Alliance and also in the interests of Anglo-American Church relations.

He spent several days in Belgium visiting work of the Christian Missionary Church and several days in Geneva, Switzerland, where the headquarters of the World Council and the World Alliance are located.

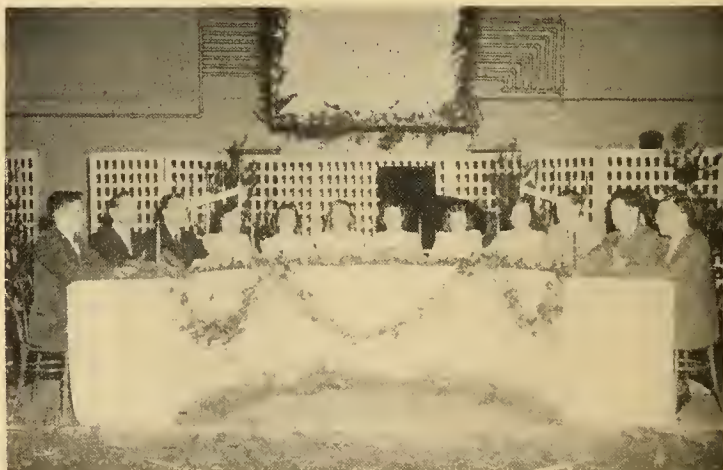

About the middle of August he was joined by Mrs. Lloyd, Louise, and Miss Davies, and all four flew to Berlin for five intensely interesting days there. Three of those days overlapped the period of the much publicised Communist youth rally. Dr. Lloyd preached on Sunday in the American Church in Berlin and in one of the U. S. army chapels. On August 21 they flew from Berlin to Paris, and on the 22nd boarded the Queen Elizabeth at Cherbourg.

CHRISTMAS SERVICES

"The Messiah" will be given this year at three o'clock Sunday afternoon, December 9, in the Alumni Gymnasium. The annual Christmas Vespers will be on December 16 at the regular hour of seven o'clock. One of the features of the Vespers each year is the Madrigal Singers. They are a small group who sing in the authentic manner, without direction or accompaniment and seated about a table. This was the custom in the fifteenth and sixteenth centuries when madrigal singing was a popular form of musical entertainment. Though the selections sung are not truly madrigals, they are arrangements of Christmas carols of that period and resemble the style of the madrigal.

In addition to these two college services, most of the student organizations have Christmas programs.

Christmas holidays begin Friday noon, December 21, or earlier—for each student when he finishes his finals. The Second Semester opens and the holidays end with the chapel service Wednesday, January 16.

TWENTY-FIVE YEAR CLUB

Mrs. Elizabeth Benedict Hall, Matron of the Ralph Max Lamar Hospital, began her service at the College in October, 1926. She has been known and loved not only by the students who have gone to the Hospital for medical treatment, but by many girls who have roomed there at different times when the dormitories overflowed. Her son, Howard and her daughter Thelma, who is a trained nurse, have resided there with her, and Thelma for many years has served as the Hospital Nurse. Her daughter Erma (Mrs. S. Earle Crawford) graduated at the College in 1914. Mrs. Hall was a resident of Maryville before coming to the College and is well known to many students who visited or roomed at her home. A few years ago it appeared that Mrs. Hall would not be able to continue her work, but all rejoice that she providentially recovered to a remarkable degree.

Evelyn Norton Queener (Mrs. Verton M.), Assistant Professor of Physical Education for Women, joined the faculty in September, 1925. For the first year she was both an Instructor and a Special Student at the College. She has been a member of the faculty regularly since that time except in 1929-1930 when her first son was born. Mrs. Queener grew up in New York City. She graduated from Oakwood High School in 1923, and from the Savage School of Physical Education in 1925 and came to Maryville that year. During her years at Maryville she has pursued further study at Hunter College, at John Campbell Folk School, and at Indiana University. Her husband, also known to most alumni, graduated at Maryville College in 1924 and is Professor of History and Chairman of the Division of Social Sciences at the College.
